Final act

Directive 2009/66
OJ L 201 01.08.2009, p. 0011 Summary

Wheeled agricultural or forestry tractors: steering equipment (repeal. Directive 75/321/EEC). Codification

PURPOSE: to codify provisions on the steering equipment of wheeled agricultural or forestry tractors.

PROPOSED ACT: Directive of the European Parliament and of the Council.

CONTENT: the purpose of this proposal is to codify Council Directive 75/321/EEC on the approximation of the laws of the Member States relating to the steering equipment of wheeled agricultural or forestry tractors. In codifying legislative acts that have been amended frequently the EU is seeking to both simplify and clarify EU legislation.

Given that no changes of substance have been made to the instruments affected by the codification exercise this proposal will be the subject of an accelerated procedure. The new Directive will supersede the various acts incorporated in it. If fully preserves the content of the acts being codified and hence does no more than bring them together, with only such formal amendments as are required by the codification exercise itself.

Wheeled agricultural or forestry tractors: steering equipment (repeal. Directive 75/321/EEC). Codification

The committee adopted the report by Diana WALLIS (ALDE, UK) approving unamended - under the 1st reading of the codecision procedure -

the proposed directive on the steering equipment of wheeled agricultural or forestry tractors (codified version).

Wheeled agricultural or forestry tractors: steering equipment (repeal. Directive 75/321/EEC). Codification

The European Parliament adopted the resolution drafted by Diana WALLIS (ALDE, UK) and approved the proposed directive on the steering equipment of wheeled agricultural or forestry tractors (codified version).

Wheeled agricultural or forestry tractors: steering equipment (repeal. Directive 75/321/EEC). Codification

PURPOSE: to codify Council Directive 75/321/EEC relating to the steering equipment of wheeled agricultural or forestry tractors.

LEGISLATIVE ACT: Directive 2009/66/EC of the European Parliament and of the Council on the steering equipment of wheeled agricultural or forestry tractors (codified version).

CONTENT: Council Directive 75/321/EEC of 20 May 1975 on the approximation of the laws of the Member States relating to the steering equipment of wheeled agricultural or forestry tractors has been substantially amended several times. Thus, in the interests of clarity and rationality the Directive should be codified.

The new Directive will supersede the various acts incorporated in it. It fully preserves the content of the acts being codified and hence does no more than bring them together, with only such formal amendments as are required by the codification exercise itself.

ENTRY INTO FORCE: 21/08/2009.

APPLICATION: 01/01/2010.
