

Agricultural products: information and promotion on the internal market and the third countries

2007/0095(CNS) - 25/11/2010 - Follow-up document

The Commission presents a Staff Working Document accompanying its report on the application of Council Regulation (EC) No 3/2008 on information provision and promotion measures for agricultural products on the internal market and in third countries. This consists of two Annexes.

- The first Annex contains the changes introduced to the promotion regime since the Report 2006, in addition to those already discussed in the report.
- The second Annex contains a description of the promotion activities managed directly by DG AGRI. These include high level missions, promotion campaign for organic food and farming, and other expenses under direct management.
