European Agency for the operational management of large-scale IT systems in the area of freedom, security and justice

2009/0089(COD) - 11/04/2011

The Committee discussed the **state-of-play** on the establishment of a European agency for the operational management of large-scale IT systems (such as the second-generation Schengen Information System (SIS II), the Visa Information System (VIS) and EURODAC.

On this dossier, the Council aims to reach a first reading agreement with the European Parliament before the summer.
