2008/0242(COD) - 07/03/2013

The Council was informed about the **state of play** of two legislative proposals **outstanding** in relation to the Common European Asylum System (CEAS), namely:

- the [proposal on the asylum procedures directive](#);
- the present proposal on the Eurodac regulation.

Both files have entered into the final phase of negotiations with the European Parliament.

In the case of the Eurodac regulation, issues that remain to be resolved in the negotiations relate to the modalities of access to Eurodac data by law enforcement authorities.
