

Agricultural plant species: common catalogue of varieties (codif. direct. 70/457/EEC)

1995/0322(CNS) - 29/07/1998 - Modified legislative proposal

This amended proposal aims to take account of the outcome of work already carried out in the Council on the proposal for a directive to codify Directive 70/457/EEC on the common catalogue of varieties of agricultural plant species. This amended proposal also takes account of amendments purely of form or wording by the Consultative Working Party of Legal Services set up under the Interinstitutional Agreement of 20 December 1994 on an accelerated working method for official consolidation of legislative texts, where these are considered justified.
