

Single European Sky: interoperability of the European traffic management network

2001/0237(COD) - 03/09/2002 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted a resolution based on the report by Marieke SANDERS-TEN HOLTE (ELDR/NL) and made some amendments to the Commission's proposal. (Please refer to the document dated 10/07/02.) Parliament called for the European Aviation Safety Agency to have a leading role in coordinating interoperability measures. The safety aspects of the design, building and maintenance of surveillance data, communications systems and navigation systems were emphasised.
