Olive oil: special measures (amend. regul. 2262/84/EEC)

1996/0275(CNS) - 21/02/1997 - Text adopted by Parliament, 1st reading/single reading

Parliament approved the proposal seeking to amend Regulation 2262/84/EEC laying down special measures in respect of olive oil.

Olive oil: special measures (amend. regul. 2262/84/EEC)

1996/0275(CNS) - 12/11/1996 - Legislative proposal

OBJECTIVE: the proposal for a Regulation seeks to extend for one year the Community's part-financing of olive oil agencies, in order to ensure they operate normally and to enhance their administrative autonomy. SUBSTANCE : the proper application of the Community regulations on olive oil required the setting up of inspection agencies responsible for overseeing compliance with regulatory obligations in the Member States producing olive oil. Since the work entrusted to the agencies must be carried out during the 1997/98 marketing year the Commission believes it is necessary to provide for a Community contribution to the agencies' expenditure for that period in order to ensure they can operate effectively. The financial impact on the Community budget is estimated at ECU 12.1 million in total over the 1997 and 1998 financial years. The Commission will consider the need to continue part-financing the agencies after the 1997/98 marketing year.

Olive oil: special measures (amend. regul. 2262/84/EEC)

1996/0275(CNS) - 17/03/1997 - Final act

OBJECTIVE: to maintain for one year the current financial contribution to the inspection agencies in the olive oil sector pending the reform of the common organization of this market. COMMUNITY MEASURE: Regulation (EC) No 533/97 amending Regulation (EEC) No 2262/84 laying down special measures in respect of olive oil. SUBSTANCE: the regulation provides for 50% of the inspection agencies' actual expenditure to be covered by the Communities' general budget. Before 1 October 1997 the Commission will consider the need to continue part-financing the agencies after the 1997 /98 marketing year. ENTRY INTO FORCE: 25 March 1997
