Community plant health regime: measures against harmful organisms (codif. direct. 77/93/EEC)

1997/0338(CNS) - 05/12/1997 - Legislative proposal

OBJECTIVE: consolidation of Directive 77/93/EEC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community. SUBSTANCE: the purpose of the proposal is to consolidate Directive 77/93/EEC, as amended on a number of occasions since its adoption. The new Directive will replace the various Regulations which it consolidates; the proposal fully preserves their content, merely bringing them together in a single text.
