Jurisdiction, recognition and enforcement of judgments in civil and commercial matters: replacing Annexes I and II

2014/2985(DEA) - 08/06/2012

The Council endorsed a **general approach** (see [Council document](#)) on the recast of a regulation on jurisdiction and the recognition and enforcement of judgements in civil and commercial matters (the so-called "Brussels I" regulation).

On that occasion there was broad support for the suggestion that the proposed Regulation should provide for an additional ground of jurisdiction relating to **cultural objects** based on the location of such objects, to be further examined at technical level and finalised after the meeting of the Council.
