Agricultural prices 1998/1999: basic price and standard quality for pig carcasses

Agricultural Prices 1998/99 - Pigmeat In view of unchanged institutional grain prices, it is proposed to keep the basic price of pig carcasses unchanged and to fix it at ECU 1509.39 per tonne. The standard quality (unchanged) depends on weight and the amount of weight on the pig carcase, as follows: - carcasses weighing 60 kg to less than 120 kg: grade E; - carcasses weighing 120 kg to 180 kg: grade R. ?

Agricultural prices 1998/1999: basic price and standard quality for pig carcasses

The Committee made only a few changes to the proposed agricultural prices for 1998-99 proposed by the Commission. MEPs did not adopt the amendments tabled by the rapporteur, Edouard DES PLACES (I-EN, F), for a general price increase of 1.7%. However, they did endorse his demand for the creation of an adjustment coefficient for all "common organisations of the market" (COMs) in order to compensate the Member States who will be joining the euro for the possible disappearance of the green ecu on 1st January 1999. As regards cereals, the main change proposed by the committee is: the provision for taking into interventions cereals with a maximum moisture content of 15% to be continued into the 1998-99 marketing year.?
