Culture Community programmes: participation of the Slovak Republic in Ariane, Kaleidoscope and Raphaël

OBJECTIVE: in the framework of the pre-accession strategy, opening of the Community cultural programmes to Slovakia (Ariane, Kaleidoscope, Raphael) for the years 1998-2000. SUBSTANCE: this proposal for a decision of the EC-Slovakia Association Council sets the conditions and arrangements for the participation of this country in the three Community programmes in the field of culture. In particular, Slovakia will: - participate in all actions derived from these programmes under the same terms as the Member States and in accordance with the objectives, criteria and procedures laid down by these programmes; - apply the same conditions and arrangements for submission, assessment and selection of applications as those prevailing for the Member States; - ensure a minimum number of partners from the Member States for all the transnational actions and projects proposed; - make a financial contribution to the Community budget in relation to its participation in these three programmes. This financial contribution will cover financial support to Slovak participants in the context of their participation in the three programmes and the supplementary costs of an administrative nature related to the management of the programmes by the Commission. This contribution will vary depending on the programme and is paid annually. It can also cover one or more years (e.g. participation in Ariane and Kaleidoscope is restricted to 1998). The Community will pay part of this contribution by taking the sums needed from the annual funding for Phare/Slovakia. The Phare contribution will not however cover the equivalent of the administrative sums relating to the management of the programmes by the Commission, which will remain entirely the responsibility of the Slovak national budget. In total this financial contribution will amount to ECU 223 975 for the three years under consideration (of which ECU 104 661.5 under Phare). Slovakia will be associated with the monitoring of its participation in the cultural programmes in preparation for the Community decision-making process on accession (in particular by participation in the coordination meetings prior to the meetings of the programme committees and by being informed about the results). The participation of Slovakia will be valid for the duration of the programmes (i.e. until 31 December 2000). ?

Culture Community programmes: participation of the Slovak Republic in Ariane, Kaleidoscope and Raphaël

The draft report by Mrs Odile LEPERRE-VERRIER (ARE, F) was adopted.?

Culture Community programmes: participation of the Slovak Republic in Ariane, Kaleidoscope and Raphaël

The European Parliament adopted without debate the report by Mrs Odile LEPERRE-VERRIER (ARE, F) on the participation of Slovakia in Community programmes in the field of culture. Parliament adopted a number of changes which sought to stress the fundamental role of culture in bringing peoples together and the positive effects of cultural activity on the economic and social development and democratic functioning of applicant countries. It also mentioned that cultural diversity in these countries needed to be respected, as did the minorities of which they are composed. It likewise considered that these countries should be permanently associated with the cultural programmes of the European Union irrespective of their transitional stage. Finally, from the point of view of the budget, it felt that the breakdown of appropriations to fund this action should appear in section III, part B of the European Union budget. It also insisted on greater transparency in debates concerning the various programme committees with which these countries should be more closely associated.?

Culture Community programmes: participation of the Slovak Republic in Ariane, Kaleidoscope and Raphaël

The Directorates General or responsible departments have asked for this proposal to be withdrawn. The reasons are indicated as follows: A) for objective reasons (change of de facto situation, objectives already achieved by other means, etc) B) because the Commission has now adopted another approach : - the proposal is replaced implicitly, - a new proposal is in preparation, - no planned replacement.?
