Transport of workers with reduced mobility: minimum requirements

The European Parliament confirmed its first reading in the context of the codecision procedure the text voted upon on 20.11.1991 concerning this proposal for a directive.?

Transport of workers with reduced mobility: minimum requirements

The Directorates General or responsible departments have asked for this proposal to be withdrawn. The reasons are indicated as follows: A) for objective reasons (change of de facto situation, objectives already achieved by other means, etc) B) because the Commission has now adopted another approach : - the proposal is replaced implicitly, - a new proposal is in preparation, - no planned replacement.?
