## EC/Ukraine agreement: scientific and technological co-operation agreement, renewal

**PURPOSE** : to extend an EU-Ukrainian agreement on scientific and technological co-operation. **CONTENT** : in July 2002 the European Union and the Ukraine signed an Agreement on co-operation in science and technology. The Agreement was concluded for an initial period ending on 31 December 2002 renewable by common agreement between the Parties for an additional five years. Co-operation between the EU and the Ukraine has been extensive including 36 research projects under the INCO-COPERNICUS heading of the Fifth framework programme. In October 2002, the Ukrainian Minister of Foreign Affairs requested the renewal of the abovementioned Agreement for a further five years. A rapid, one-step, single procedure is requested allowing for a smooth transition. In light of this the Commission requests the Council: - to approve, on behalf of the Community, after consulting the European parliament, the conclusion of an Agreement aimed at renewing the Agreement on co-operation in science and technology between the European Community and Ukraine. - to authorise the President of the Council to designate the person empowered to sign the Agreement in order to express the consent of the Community to be bound thereby.?

The committee adopted the report by its chairman, Carlos WESTENDORP Y CABEZA (PES, E) approving the proposal without amendment under the consultation procedure.?

## EC/Ukraine agreement: scientific and technological co-operation agreement, renewal

The European Parliament adopted a resolution drafted by Carlos WESTENDORP Y CABEZA (PES, Spain) and approved the conclusion of the agreement.?

## EC/Ukraine agreement: scientific and technological co-operation agreement, renewal

PURPOSE : to renew the Agreement on science and technology cooperation between the EC and Ukraine. LEGISLATIVE ACT : Council Decision 2003/737/EC concerning the conclusion of an Agreement renewing the Agreement on cooperation in science and technology between the European Community and Ukraine. CONTENT : This Decision renews the Agreement on cooperation in science and technology between the European Community and Ukraine for an additional period of five years. The text of the Agreement is attached to the Decision. To recall, the Agreement on cooperation in science and technology between the EC and Ukraine was signed in Copenhagen on 4 July 2002. It was concluded for an initial period ending on 31 December 2002 and was renewable by common agreement between the parties for additional periods of five years. This is the object of the present Decision. The material content of the renewed Agreement will be identical to the material content of the Agreement which recently expired. ENTRY INTO FORCE : This will take place when the parties notify each other that the necessary formalities are complete. ?
