Agricultural or forestry tractors: approximation of laws (legislative consolidation)

The European Parliament confirmed as its first reading the text voted on 12.02.1992 on the proposal for a Directive on wheeled agricultural or forestry tractors the number of the legal base of which changed with the entry into force of the Amsterdam Treaty. It should be noted that this proposal was already the subject of a confirmation of opinion given on 02.12.1993 following the entry into force of the Treaty of Maastricht on European Union.?

Agricultural or forestry tractors: approximation of laws (legislative consolidation)

The Directorates General or responsible departments have asked for this proposal to be withdrawn. The reasons are indicated as follows: A) for objective reasons (change of de facto situation, objectives already achieved by other means, etc) B) because the Commission has now adopted another approach : - the proposal is replaced implicitly, - a new proposal is in preparation, - no planned replacement.?

Agricultural or forestry tractors: approximation of laws (legislative consolidation)

As announced in Official Journal C 5 of 9 January 2004, the Commission decided to withdraw this proposal, which had become obsolete.
