Waste: civil liability for damage caused by waste

The European Parliament confirmed as its first reading the text voted on 22.11.1990 on the proposal for a Directive on civil liability for damage caused by waste the number of the legal base of which has changed following the entry into force of the Treaty of Amsterdam.?

Waste: civil liability for damage caused by waste

The Directorates General or responsible departments have asked for this proposal to be withdrawn. The reasons are indicated as follows: A) for objective reasons (change of de facto situation, objectives already achieved by other means, etc) B) because the Commission has now adopted another approach : - the proposal is replaced implicitly, - a new proposal is in preparation, - no planned replacement.?
