Final act

[Directive 2008/25](#)
[OJ L 081 20.03.2008, p. 0040](#) Summary

Supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate: implementing powers conferred on the Commission

PURPOSE: to amend Directive 2002/87/EC relating to the supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate by introducing a reference to the new regulatory procedure with scrutiny (comitology).

PROPOSED ACT: Directive of the European Parliament and of the Council.

CONTENT: Council Decision 1999/468/EC laying down the procedures for the exercise of implementing powers conferred on the Commission has been amended by Council Decision 2006/512/EC ([CNS/2002/0298](#)).

The amended Decision introduces a new *regulatory procedure with scrutiny* to be used for measures of general scope which seek to amend non-essential

elements of a basic instrument, adopted under co-decision, including by deleting some of those elements or by supplementing the instrument by the addition of new non-essential elements.

This procedure allows the legislator to oppose the adoption of "quasi-legislative" measures implementing a codecision-based instrument when it considers that the draft exceeds the implementing powers provided for in the basic instrument, or that the draft is incompatible with the aim or the content of that instrument or fails to respect the principles of subsidiarity or proportionality.

In a joint statement, the three institutions agreed on a list of 26 basic instruments already in force to be adjusted without delay in accordance with the new regulatory procedure with scrutiny (see [ACI/2006/2152](#)). Each case has been assessed on its own merits, notably in view of the nature of the implementing powers conferred on the Commission and the specificity of each sector.

Lastly, in accordance with the abovementioned statement, the Commission is proposing to repeal any provisions of these instruments that provide for a time-limit on the delegation of implementing powers to the Commission.

Supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate: implementing powers conferred on the Commission

The Committee on Economic and Monetary Affairs approved ? at 1st reading of the codecision procedure ? the report by Pervenche BERÈS (PES, FR) on the proposal for a directive of the European Parliament and of the Council amending Directive 2002/87/EC relating to the supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate as regards the implementing powers conferred on the Commission (comitology).

In general, the report supports the introduction of the new regulatory procedure with scrutiny for this Directive (2004/87/EC). However, MEPs have introduced a review clause in order to regularly assess the well functioning of the Lamfalussy procedure: by 31 December 2009 and, thereafter, at least every 3 years, the Commission shall review the provisions concerning its implementing powers and present a report to the European Parliament and to the Council on the functioning of those provisions and on the need for any modifications thereto.

Supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate: implementing powers conferred on the Commission

The European Parliament adopted a resolution drafted by Pervenche BERES (PES, FR) on the proposal for a directive amending Directive 2002/87/EC relating to the supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate as regards the implementing powers conferred on the Commission (comitology).

A review clause states that by 31 December 2010 and, thereafter, at least every 3 years, the Commission shall review the provisions concerning its implementing powers and present a report to the European Parliament and to the Council on the functioning of those powers. The report shall examine, in particular, the need for the Commission to propose amendments to the Directive in order to ensure the appropriate scope of the implementing powers conferred on the Commission. The conclusion as to whether a modification is necessary or not shall be accompanied by a detailed statement of reasons. If necessary, the report shall be accompanied by a legislative proposal to modify the provisions conferring implementing powers on the Commission.

Supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate: implementing powers conferred on the Commission

PURPOSE: to amend Directive 2002/87/EC relating to the supplementary supervision of credit institutions by introducing a reference to the new regulatory procedure with scrutiny (comitology).

LEGISLATIVE ACT: Directive 2008/25/EC of the European Parliament and of the Council amending Directive 2002/87/EC relating to the supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate, as regards as regards the implementing powers conferred to the Commission.

CONTENT: Council Decision 1999/468/EC laying down the procedures for the exercise of implementing powers conferred on the Commission has been amended by Council Decision 2006/512/EC ([CNS/2002/0298](#)).

The amended Decision introduces a new regulatory procedure with scrutiny to be used for measures of general scope which seek to amend non-essential elements of a basic instrument, adopted under co-decision, including by deleting some of those elements or by supplementing the instrument by the addition of new non-essential elements.

This procedure allows the legislator to oppose the adoption of "quasi-legislative" measures implementing a codecision-based instrument in cases where:

- the draft may exceed the implementing powers provided for in the basic instrument;
- the draft is incompatible with the aim or the content of that instrument; or
- the draft fails to respect the principles of subsidiarity or proportionality.

In a joint statement, the three institutions agreed on a list of 26 basic instruments already in force to be adjusted without delay in accordance with the new regulatory procedure with scrutiny (see [ACI/2006/2152](#)). Each case has been assessed on the nature of the implementing powers conferred on the Commission and the specificity of each sector.

The purpose of this Directive, therefore, is to amend Directive 2002/87/EC relating to the supplementary supervision of credit institutions by introducing a reference to the new regulatory procedure with scrutiny

By 31 December 2010, and thereafter at least every three years, the Commission shall review the provisions concerning its implementing powers and present a report to the European Parliament and to the Council on the functioning of those powers and on the need for the Commission to propose possible amendments.

ENTRY INTO FORCE: 21 March 2008.
