Final act

[Regulation 2008/297](#)
[OJ L 097 09.04.2008, p. 0062](#) Summary

International accounting standards: implementing powers conferred on the Commission

PURPOSE: to amend Directive 92/49/EEC on the coordination of laws, regulations and administrative provisions relating to direct insurance other than life assurance by introducing a reference to the new regulatory procedure with scrutiny (comitology).

PROPOSED ACT: Decision of the European Parliament and of the Council.

CONTENT: Council Decision 1999/468/EC laying down the procedures for the exercise of implementing powers conferred on the Commission has been amended by Council Decision 2006/512/EC ([CNS/2002/0298](#)).

The amended Decision introduces a new *regulatory procedure with scrutiny* to be used for measures of general scope which seek to amend non-essential elements of a basic instrument, adopted under co-decision, including by deleting some of those elements or by supplementing the instrument by the addition of new non-essential elements.

This procedure allows the legislator to oppose the adoption of "quasi-legislative" measures implementing a codecision-based instrument when it considers that the draft exceeds the implementing powers provided for in the basic instrument, or that the draft is incompatible with the aim or the content of that instrument or fails to respect the principles of subsidiarity or proportionality.

In a joint statement, the three institutions agreed on a list of 26 basic instruments already in force to be adjusted without delay in accordance with the new regulatory procedure with scrutiny (see [ACT/2006/2152](#)). Each case has been assessed on its own merits, notably in view of the nature of the implementing powers conferred on the Commission and the specificity of each sector.

Lastly, in accordance with the abovementioned statement, the Commission is proposing to repeal any provisions of these instruments that provide for a time-limit on the delegation of implementing powers to the Commission.

International accounting standards: implementing powers conferred on the Commission

The Committee on Legal Affairs adopted a report drafted by Manuel MEDINA ORTEGA (PES, ES) and made some amendments to the proposal for a regulation of the European Parliament and of the Council amending Regulation (EC) No 1606/2002 on the application of international accounting standards as regards the implementing powers conferred on the Commission.

It deleted the provision in the Commission's proposal which stated that the Commission may, in exceptional and duly justified cases and on imperative grounds of urgency, make use of Article 5a(1), (2), (4) and (6) of Decision 1999/468/EC. The Committee felt that the competent committee has in the past dealt with endorsement of international accounting standards. The cooperation between the European institutions has worked well under the Lamfalussy procedure and in situations where it has been necessary to move fast, this has been done. The Committee stated that such good cooperation will continue and that there was no need for a formalised urgency procedure.

International accounting standards: implementing powers conferred on the Commission

The European Parliament adopted a resolution drafted by Manuel MEDINA ORTEGA (PES, ES) and made some amendments to the proposal for a regulation amending Regulation (EC) No 1606/2002 on the application of international accounting standards as regards the implementing powers conferred on the Commission.

It deleted the provision in the Commission's proposal which stated that the Commission may, in exceptional and duly justified cases and on imperative grounds of urgency, make use of Article 5a(1), (2), (4) and (6) of Decision 1999/468/EC.

An amended recital states that, in view of the fact that the application of the regulatory procedure with scrutiny within the usual deadlines could in certain exceptional situations make it difficult to adopt newly issued accounting standards, amendments to existing accounting standards or interpretations of existing accounting standards in time for them to be applied by companies for the relevant financial year, the Commission, the Council and the European Parliament should act speedily in order to ensure that those standards and interpretations are adopted in a timely manner so as not to undermine investor understanding and thus confidence.

LEGISLATIVE ACT: Regulation (EC) No 297/2008 of the European Parliament and of the Council amending Regulation (EC) No 1606/2002 on the application of international accounting standards, as regards the implementing powers conferred on the Commission

CONTENT: Council Decision 1999/468/EC laying down the procedures for the exercise of implementing powers conferred on the Commission has been amended by Council Decision 2006/512/EC ([CNS/2002/0298](#)).

The amended Decision introduces a new regulatory procedure with scrutiny to be used for measures of general scope which seek to amend non-essential elements of a basic instrument, adopted under co-decision, including by deleting some of those elements or by supplementing the instrument by the addition of new non-essential elements.

The Commission will adopt implementing measures in accordance with the regulatory procedure in deciding on the applicability within the Community of international accounting standards.
