[Decision 2007/765](#)
[OJ L 307 24.11.2007, p. 0022](#) Summary

Driving disqualifications: accession of Bulgaria and Romania to the Convention

PURPOSE: to enable Bulgaria and Romania to accede to the Convention of 17 June 1998 on driving disqualifications.

PROPOSED ACT: Council Decision.

CONTENT: the 2005 Act of accession of Bulgaria and Romania has introduced a simplified system for the accession of Bulgaria and Romania to the conventions (and protocols) concluded by the Member States on the basis of Art. 34 TEU (previously Art. K.3 TEU) or Art. 293 EC. It is indeed no longer necessary, as in the past, to negotiate and conclude specific accession protocols to these conventions (which would have implied ratification by 27 States): Article 3(3) of the Act provides simply that Bulgaria and Romania accede to these conventions and protocols by virtue of the Act of Accession.

Article 3(3) and 3(4) of the Act of Accession provide that, to that effect, the Council shall adopt a decision in order to determine the date on which these conventions shall enter into force for Bulgaria and Romania and to make all the necessary adjustments to these conventions required by reason of the accession of the two new Member States (which would include, in any event, the adoption of the conventions in the Bulgarian and Romanian languages, so that these versions can be "equally authentic"). The Council shall act on a recommendation of the Commission, after consulting the European Parliament.

Annex I to the Act of Accession gives the list of the seven conventions and protocols concerned in the Justice and Home Affairs area. The list includes the Convention of 17 June 1998, drawn up on the basis of Article K.3 of the Treaty on European Union, on driving disqualifications.

The present draft Commission Recommendation is intended to make the adjustments required by reason of the accession of Bulgaria and Romania to the aforementioned Convention, in accordance with Article 3(4) of the Act of Accession.

Driving disqualifications: accession of Bulgaria and Romania to the Convention

The European Parliament adopted the resolution by Genowefa GRABOWSKA (PES, PL) approving the Commission recommendation for a Council decision concerning the accession of Bulgaria and Romania to the Convention of 17 June 1998, drawn up on the basis of Article K.3 of the Treaty on European Union, on driving disqualifications. The resolution was adopted by 636 votes in favour to 13 against with 19 abstentions.

Driving disqualifications: accession of Bulgaria and Romania to the Convention

PURPOSE: to allow Bulgaria and Romania to accede to the Convention of 17 June 1998 on driving disqualifications.

LEGISLATIVE ACT: Council Decision 2007/765/EC concerning the accession of Bulgaria and Romania to the Convention, drawn up on the

basis of Article K.3 of the Treaty on the European Union, on driving disqualifications.

CONTENT: the 2005 Act of Accession of Bulgaria and Romania introduced a simplified system for the accession of these two countries to the conventions (and protocols) concluded by Member States on the basis of Article 34 TEU (previously Article K.3 TEU) or Article 293 EC.

Article 3(3) of the Act of Accession provides that Bulgaria and Romania accede to these conventions and protocols by virtue of the Act of Accession. Paragraphs 3 and 4 of Article 3 provide that, to that effect, the Council shall adopt a decision in order to determine the date on which these conventions shall enter into force for Bulgaria and Romania, and to make all the necessary adjustments to these conventions required by reason of the accession of the two new Member States (which would include, in any event, the adoption of the conventions in the Bulgarian and Romanian languages, so that these versions can be "equally authentic").

Consequently, in virtue of this Council Decision, Bulgaria and Romania accede to the Convention of 17 June 1998, drawn up on the basis of Article K.3 of the Treaty on the European Union, on driving disqualifications.

ENTRY INTO FORCE: the Decision takes effect from 25/11/2007. The Convention on driving disqualifications shall enter into force, in relation to Bulgaria and Romania, on the date in which it enters into force for the original signatory Member States (this Convention, signed in Luxembourg on 17 June 1998, has not yet entered into force).
