Final act

[Directive 2009/58](#)
[OJ L 198 30.07.2009, p. 0004](#) Summary

Wheeled agricultural or forestry tractors: coupling device and the reverse (repeal. Directive 79/533/EEC). Codification

PURPOSE: to codify legislation on the coupling device and the reverse of wheeled agricultural or forestry tractors.

PROPOSED ACT: Directive of the European Parliament and of the Council.

CONTENT: the purpose of this proposal is to undertake a codification of Council Directive 79/533/EEC of 17 May 1979 on the approximation of the laws of the Member States relating to the coupling device and the reverse of wheeled agricultural or forestry tractors. The new Directive will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself.

Wheeled agricultural or forestry tractors: coupling device and the reverse (repeal. Directive 79/533/EEC). Codification

The Committee on Legal Affairs adopted the report drawn up by Hans-Peter MAYER (EPP-ED, DE) approving - in the first reading of the codecision procedure - on the proposal for a directive of the European Parliament and of the Council on the coupling device and the reverse of wheeled agricultural or forestry tractors (codified version).

Wheeled agricultural or forestry tractors: coupling device and the reverse (repeal. Directive 79/533/EEC). Codification

The European Parliament adopted a resolution drafted by Hans-Peter MAYER (EPP-ED, DE) approving the proposal for a directive of the European Parliament and of the Council on the coupling device and the reverse of wheeled agricultural or forestry tractors (codified version).

Wheeled agricultural or forestry tractors: coupling device and the reverse (repeal. Directive

79/533/EEC). Codification

PURPOSE: to codify Council Directive 79/533/EEC relating to the coupling device and the reverse of wheeled agricultural or forestry tractors.

LEGISLATIVE ACT: Directive 2009/58/EC of the European Parliament and of the Council on the coupling device and the reverse of wheeled agricultural or forestry tractors (codified version).

CONTENT: Council Directive 79/533/EEC of 17 May 1979 on the approximation of the laws of the Member States relating to the coupling device and the reverse of wheeled agricultural or forestry tractors has been substantially amended several times. Thus, in the interests of clarity and rationality the Directive should be codified.

The new Directive will supersede the various acts incorporated in it. It fully preserves the content of the acts being codified and hence does no more than bring them together, with only such formal amendments as are required by the codification exercise itself.

ENTRY INTO FORCE: 19/08/2009.

APPLICATION: 01/01/2010.
