Final act
Regulation 2009/487 OJ L 148 11.06.2009, p. 0001 Summary

Air transport sector: application of Article 81(3) of the Treaty to certain categories of agreements and concerted practices (repeal. Regulation (EEC) No 3976/87). Codification

PURPOSE: to codify Council Regulation (EEC) No 3976/87 as regards certain categories of agreements and concerted practices in the air transport sector.

PROPOSED ACT: Council Regulation.

CONTENT: the purpose of this proposal is to undertake a codification of Council Regulation (EEC) No 3976/87 on the application of Article 85(3) of the Treaty to certain categories of agreements and concerted practices in the air transport sector. The new Regulation will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bringing them together with only such formal amendments as are required by the codification exercise itself.

The codification proposal was drawn up on the basis of a preliminary consolidation, in all official languages, of Regulation (EEC) No 3976/87 and the instruments amending it, carried out by the Office for Official Publications of the European Communities, by means of a data-processing system. Where the Articles have been given new numbers, the correlation between the old and the new numbers is shown in a table contained in Annex II to the codified Regulation.
