Final act

[Directive 2009/156](#)
[OJ L 192 23.07.2010, p. 0001](#) Summary
 Final legislative act with provisions for delegated acts

Animal health conditions: movement and importation from third countries of equidae (repeal. Directive 90/426/EEC). Codification

PURPOSE: to codify Council Directive on animal health conditions governing the movement and importation from third countries of equidae.

PROPOSED ACT: Council Directive.

CONTENT: the purpose of this proposal is to undertake a codification of Council Directive 90/426/EEC of 26 June 1990 on animal health conditions governing the movement and import from third countries of equidae. The new Directive will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bringing them together with only such formal amendments as are required by the codification exercise itself.

Animal health conditions: movement and importation from third countries of equidae (repeal. Directive 90/426/EEC). Codification

The Committee on Legal Affairs adopted the report by Lidia Joanna GERINGER de OEDENBERG (PES, PL) and approved, under the consultation procedure, the proposal for a Council directive on animal health conditions governing the movement and importation from third countries of equidae (codified version). The Commission proposal was approved as adapted to the recommendations of the Consultative Working Party of the Legal Services of the European Parliament, the Council and the Commission.

Animal health conditions: movement and importation from third countries of equidae (repeal. Directive 90/426/EEC). Codification

The European Parliament adopted by 629 votes to 7, with 5 abstentions, a legislative resolution amending, under the consultation procedure, the proposal for a Council directive on animal health conditions governing the movement and importation from third countries of equidae (codified version).
