Final act
Decision 2010/458 OJ L 129 28.05.2010, p. 0001 Summary

European Refugee Fund 2008-2013: funding

PURPOSE: to amend Decision No 573/2007/EC establishing the European Refugee Fund for the period 2008-2013 in order to take account of the creation of the European Asylum Support Office.

PROPOSED ACT: Decision of the European Parliament and of the Council.

BACKGROUND: the [European Refugee Fund](#) (ERF) was set up by Decision No 573/2007/EC for the period 2008 to 2013 as part of the General programme "Solidarity and Management of Migration Flows". Its general objective is to support and encourage the efforts made by the Member States in receiving refugees and displaced persons, by co-financing specific actions.

The proposal for a Regulation establishing the European Asylum Support Office and this proposal to amend the Decision establishing the ERF 2008-2013 are part of the European Union's efforts to develop a comprehensive asylum policy. They are a response to the requests from the Council and the European Council for the creation of an asylum support structure and form part of the measures announced by the [Policy Plan on Asylum](#) adopted by the Commission in June 2008.

The Office's institutional status will be that of a regulatory agency, and will be responsible for promoting and enhancing practical cooperation between Member States on asylum matters and for helping to support the implementation of the common asylum system. Much of its funding will therefore come from a heading in the general budget of the European Communities.

In order to supplement the funds allocated to the operation of the Office, and in the interests of simplifying the use of Community funds, and because the European Asylum Support Office will be responsible for some of the tasks currently funded under the ERF, it is necessary to transfer some of the budgetary resources currently allocated to the ERF to the Office, in order to ensure the optimal financing of practical cooperation on asylum matters.

IMPACT ASSESSMENT: the proposal does not include an impact assessment.

CONTENT: the proposed measures seek to amend the Decision establishing the European Refugee Fund for the period 2008 to 2013 in order to achieve a better allocation and concentration of funds between the ERF and the new European Asylum Support Office, in the interests of simplifying the use of Community funds.

The proposal to amend the Decision establishing the ERF aims first to reduce the scope of the Community actions provided for in Article 4 of the ERF Decision in order to take account of the transfer of two tasks which will in future be entirely the responsibility of the Office:

1. those referred to in Article 4(2)(a) relating to further Community cooperation in implementing Community law and good practices, including interpretation and translation services supporting such cooperation;
2. those in Article 4(2)(f), supporting the development and application by Member States of common statistical tools, methods and indicators for measuring policy developments in the field of asylum.

Reduction of the ERF's budget: in order to take account of the reduction in the scope of these Community actions, the percentage of funds allocated to the ERF for Community actions, currently 10%, will be reduced to 4% per year from 2010, and the remainder will be available under heading 3A of the financial framework for allocation to the new Office under the annual budgetary procedure, as a contribution towards its funding.

The proposal also provides for a reduction in the financial envelope for implementing the ERF Decision to free up resources towards the funding of the Office. The amount of EUR 628 million, referred to in Article 12(1) of the ERF Decision, will therefore be reduced to EUR 614 million (the new amount taking into account both the EUR 10 million increase decided by the budgetary authority in the 2009 budget and the EUR 24 million cut resulting from the reduction in the scope of the Community actions).

The proposal to amend the ERF Decision does not alter the general objectives of the ERF.

FINANCIAL IMPLICATIONS: the new amounts allocated to the ERF in commitments are as follows:

- 2010: EUR 92.750 million;
- 2011: EUR 104.030 million;
- 2012: EUR 104.030 million;
- 2013: EUR 122.830 million.

This totals EUR 423.640 million from 2010 to 2013 (for details of the previous amounts of the ERF, please refer to the [financial statement](#) relating to the ERF 2008-2013).

European Refugee Fund 2008-2013: funding

The Committee on Civil Liberties, Justice and Home Affairs adopted the report drawn up by Bárbara DÜHRKOP DÜHRKOP (PES, ES),

approving unamended, under the first reading of the codecision procedure, the proposal for a decision of the European Parliament and of the Council amending Decision No 573/2007/EC establishing the European Refugee Fund for the period 2008 to 2013 by removing funding for certain Community actions and altering the limit for funding such actions.

European Refugee Fund 2008-2013: funding

The European Parliament adopted by 482 votes to 40, with 19 abstentions, a legislative resolution approving unamended, under the first reading of the codecision procedure, the proposal for a decision of the European Parliament and of the Council amending Decision No 573/2007/EC establishing the European Refugee Fund for the period 2008 to 2013 by removing funding for certain Community actions and altering the limit for funding such actions.

European Refugee Fund 2008-2013: funding

In public deliberation, the Council held a policy debate on the state of negotiations regarding five legislative acts concerning asylum. The Council welcomed the progress already made and instructed its preparatory bodies to continue the examining the proposals taking account of the European Parliament's opinion, delivered on 7 May, as well as the views expressed by delegations in the discussion.

The five proposals involve amendments to the so called "Dublin" regulation, the EURODAC regulation, and the reception conditions directive as well as a proposal for the establishment of a European asylum support office and a related amendment of the European refugee fund.

These measures stem from the commitments undertaken in the European Pact on Immigration and Asylum adopted by the European Council in October 2008, with the purpose to complete the Common European Asylum System provided for in the Hague Programme.

Over the last few months, the Council preparatory bodies have carried out intensive discussions on the five proposals. A first reading of the text has been completed in all cases.

On 7 May, the European Parliament adopted legislative resolutions setting out amendments to the Commission proposals under the Council-Parliament codecision procedure. Examination of these amendments is now underway.

European Refugee Fund 2008-2013: funding

The Council discussed the state of play of the Common European Asylum System (CEAS). In particular, it took note of the agreement reached between the European Parliament and the Council on the establishment of the [European Asylum Support Office](#) (EASO) and the related changes to the European Refugee Fund (ERF). This agreement opens the way for the relevant legislative instruments to be adopted in the near future.

Following a lunch discussion, the Presidency reported that agreement had been reached on Valetta, Malta as the seat of EASO. This agreement will be formalised in the near future.

The support office is aimed at improving the implementation of the Common European Asylum System, strengthening practical cooperation among member states on asylum and as providing and coordinating operational support to member states facing specific and disproportionate pressures on their national asylum systems. The ERF needs to be amended as the office will take over responsibility for certain operations that have until now been financed by the refugee fund.

European Refugee Fund 2008-2013: funding

In line with the provisions of the Joint Declaration on practical agreements for the new co-decision procedure, representatives of Council, Parliament and the Commission engaged in contacts with a view to concluding an agreement at the stage of the Council's position at first reading.

The Council's Position at first reading reflects the compromise reached in negotiations between the Council and the European Parliament, facilitated by the Commission. On 20 November 2009, Coreper endorsed this compromise by adopting political agreement on the European Refugee Fund Decision and on the [European Asylum Support Office](#) Regulation. The Chair of the European Parliament's LIBE Committee has since in a letter to the Chairman of Coreper indicated that if the compromise texts are transmitted to Parliament as Council's positions at first reading, he will recommend to the members of LIBE, and subsequently to the plenary, that Council's positions be accepted without amendments in Parliament's second reading, subject to verification by the lawyer-linguists of both institutions. Once the ERF Decision and the EASO Regulation are adopted, the way will be paved for the early establishment of the European Asylum Support Office which will be of key importance in further enhancing practical cooperation in the field of asylum.

European Refugee Fund 2008-2013: funding

The Committee on Civil Liberties, Justice and Home Affairs adopted the recommendation for second reading contained in the report by Claude MORAES (S&D, UK) on the Council position at first reading for adopting a decision of the European Parliament and of the Council amending Decision No 573/2007/EC establishing the European Refugee Fund for the period 2008 to 2013 by removing funding for certain Community actions and altering the limit for funding such actions.

The committee recommends that the European Parliament approves the Council's position.

The European Parliament approves the Council's position. It notes that the act is adopted in accordance with the position.

European Refugee Fund 2008-2013: funding

PURPOSE: to amend Decision No 573/2007/EC establishing the European Refugee Fund for the period 2008 to 2013 by removing funding for certain Community actions and altering the limit for funding such actions.

LEGISLATIVE ACT: Decision No 458/2010/EU of the European Union and of the Council amending Decision No 573/2007/EC establishing the European Refugee Fund for the period 2008 to 2013 by removing funding for certain Community actions and altering the limit for funding such actions.

BACKGROUND: [the European Refugee Fund](#) (ERF) was set up by Decision No 573/2007/EC for the period 2008 to 2013 as part of the General programme "Solidarity and Management of Migration Flows". Its general objective is to support and encourage the efforts made by the Member States in receiving refugees and displaced persons, by co-financing specific actions.

The proposal for a Regulation establishing the European Asylum Support Office and this proposal to amend the Decision establishing the ERF 2008-2013 are part of the European Union's efforts to develop a comprehensive asylum policy. They are a response to the requests from the Council and the European Council for the creation of an asylum support structure and form part of the measures announced by the In its [Policy Plan on Asylum](#) adopted in June 2008, the Commission announced its intention to develop the Common European Asylum System (CEAS) by proposing a revision of the existing legal instruments in order to achieve greater harmonisation of the applicable standards and by strengthening support for practical cooperation between the Member States, in particular, by a legislative proposal to establish a [European Asylum Support Office](#) (the Support Office) in order to increase coordination of operational cooperation between Member States so that the common rules are implemented effectively.

It is now necessary to allocate the Community Funds to finance the Support Office actions.

CONTENT: in the interests of simplifying the use of Community funds, and because the European Asylum Support Office will be responsible for some of the tasks currently funded under the ERF, it is necessary to:

- transfer some of the budgetary resources currently allocated to the ERF to the Office, in order to ensure the optimal financing of practical cooperation on asylum matters;
- reduce the financial envelope of the ERF in order to free up resources for funding the Support Office.
- In order to take account of the reduced scope of the Community actions, the limit for their funding laid down in Decision No 573/2007/EC should be reduced from 10% of the Fund's available resources to 4% thereof.

The financial envelope for the implementation of this Decision from 1 January 2008 to 31 December 2013 shall be EUR 614 million.

Territorial provisions: in accordance with Article 3 of the Protocol on the Position of the United Kingdom and Ireland in respect of the area of freedom, security and justice, annexed to the Treaty on European Union and to the Treaty on the Functioning of the European Union, the United Kingdom and Ireland have notified their wish to take part in the adoption and application of this Decision. Denmark is not taking part in the adoption of this Decision and is not bound by it nor subject to its application.

ENTRY INTO FORCE: 08/06/2010.
