European Agricultural Guarantee Fund EAGF: scrutiny by Member States of financing transactions

PURPOSE: to align the powers conferred under Council Regulation (EC) No 485/2008 upon the Commission with Articles 290 (Delegated acts) and 291 (Implementing acts) of the Treaty on the Functioning of the European Union.

PROPOSED ACT: Regulation of the European Parliament and of the Council.

LEGAL BASE: first subparagraph of Article 42 and Article 43(2) of the Treaty on the Functioning of the European Union (TFEU).

IMPACT ASSESSMENT: there was no need for consultation of interested parties or for an impact analysis since the proposal to align Council Regulation (EC) No 485/2008 with the TFEU is an interinstitutional matter that will concern all Council Regulations. The amendments aiming at simplification of recovery procedures are of limited scope and purely technical nature.

CONTENT: Council Regulation (EC) No 485/2008 on scrutiny by Member States of transactions forming part of the system of financing by the European Agricultural Guarantee Fund confers competence on the Commission to adopt detailed rules for the application of that Regulation.

As a consequence of the entry into force of the Lisbon Treaty, the powers conferred under Regulation (EC) No 485/2008 upon the Commission need to be aligned with Articles 290 and 291 of the Treaty on the Functioning of the European Union.

To this end, the aim of this proposal is to identify the delegated and implementing powers of the Commission in Council Regulation (EC) No 485/2008 and establish the corresponding procedure for the adoption of these acts (alignment of the regulation with the Treaty of Lisbon).

BUDGETARY IMPLICATION: this proposal has no implication for the EU budget.

European Agricultural Guarantee Fund EAGF: scrutiny by Member States of financing transactions

The Committee on Agriculture and Rural Development adopted the report by Luis Manuel CAPOULAS SANTOS (S&D, PT) on the proposal for a regulation of the European Parliament and of the Council amending Council Regulation (EC) No 485/2008 on scrutiny by Member States of

transactions forming part of the system of financing by the European Agricultural Guarantee Fund.

It recommends that the European Parliaments position adopted at first reading, under the ordinary legislative procedure, should amend the Commission proposal as follows:

Delegated and implementing powers of the Commission: the amendments introduced by the MEPs aim to take into account:

- the "Common Understanding" on practical arrangements for the use of delegated acts (Article 290 TFUE) to be formally agreed on by the Council and the Parliament;
- the "Regulation on implementing powers"(Regulation (EC) No 182/2011 of the European Parliament and the Council laying down the rules and general principles concerning mechanisms for control by Member States of the Commission's exercise of implementing powers).

The power to adopt the delegated acts is conferred on the Commission subject to certain conditions. The delegation of power shall be conferred on the Commission for a period of five years from the date of entry into force of this Regulation. A delegated act shall enter into force only if no objection has been expressed either by the Parliament or the Council within a period of two months of notification of that act to the European Parliament and the Council. That period shall be extended by two months at the initiative of the European Parliament or the Council.

Scope: according to the report, this Regulation shall not apply to measures covered by the integrated administration and control system falling within Council Regulation (EC) No 73/2009 establishing common rules for direct support schemes for farmers under the common agricultural policy and establishing certain support schemes for farmers.
