Final act

Directive 2011/92
OJ L 335 17.12.2011, p. 0001 Summary

Assessment of the effects of certain public and private projects on the environment. Codification

PURPOSE: codification of Council Directive 85/337/EEC on the assessment of the effects of certain public and private projects on the environment.

PROPOSED ACT: Directive of the European Parliament and of the Council.

LEGAL BASIS: Article 192(1) of the Treaty on the Functioning of the European Union (TFEU).

CONTENT: the purpose of this proposal is to undertake a codification of Council Directive 85/337/EEC of 27 June 1985 on the assessment of the effects of certain public and private projects on the environment. The new Directive will supersede the various acts incorporated in it. It fully preserves the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are

required by the codification exercise itself.

BUDGETARY IMPLICATION: this proposal has no implication on the EU budget.

Assessment of the effects of certain public and private projects on the environment. Codification

The Committee on Legal Affairs adopted the report drafted by Sajjad KARIM (ECR, UK) on the proposal for a directive of the European Parliament and of the Council on the assessment of the effects of certain public and private projects on the environment (codified text).

It recommends the European Parliament to adopt its position at first reading of the ordinary legislative procedure, taking over the Commission proposal as adapted to the recommendations of the Consultative Working Party of the legal services of the European Parliament, the Council and the Commission.

According to the Consultative Working Party of the legal services of the European Parliament, the Council and the Commission, the proposal in question contains a straightforward codification of the existing texts without any change in their substance.

Assessment of the effects of certain public and private projects on the environment. Codification

The European Parliament adopted by 609 votes to 13, with 11 abstentions, a legislative resolution on the proposal for a directive of the European Parliament and of the Council on the assessment of the effects of certain public and private projects on the environment (codified text).

It adopted its position at first reading of the ordinary legislative procedure, taking over the Commission proposal as adapted to the recommendations of the Consultative Working Party of the legal services of the European Parliament, the Council and the Commission.

According to the Consultative Working Party of the legal services of the European Parliament, the Council and the Commission, the proposal in question contains a straightforward codification of the existing texts without any change in their substance.

Assessment of the effects of certain public and private projects on the environment. Codification

PURPOSE: codification of Council Directive 85/337/EEC on the assessment of the effects of certain public and private projects on the environment.

LEGISLATIVE ACT: Directive 2011/92/EU of the European Parliament and of the Council on the assessment of the effects of certain public and private projects on the environment.

CONTENT: Council Directive 85/337/EEC of 27 June 1985 on the assessment of the effects of certain public and private projects on the environment has been substantially amended several times. In the interests of clarity and rationality, the aim of this Directive is to codify the said Directive.

The new Directive will supersede the various acts incorporated in it. It fully preserves the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself.

ENTRY INTO FORCE: 17/02/2012.
