[Decision 2012/598](#)
[OJ L 286 17.10.2012, p. 0281](#) Summary

2010 discharge: European Union Agency for Fundamental Rights (FRA)

PURPOSE: presentation by the Commission of the consolidated annual accounts of the European Union for the financial year 2010, as part of the 2010 discharge procedure.

Analysis of the accounts of the European Fundamental Rights Agency (FRA).

CONTENT: this Commission document sets out the consolidated annual accounts of the European Union for the financial year 2010 as prepared on the basis of the information presented by the institutions, organisations and bodies of the EU, in accordance with Article 129 (2) of the Financial Regulation applicable to the EU's General Budget, including the European Fundamental Rights Agency (FRA).

In 2010, the tasks and budget of this agency were as follows:

- description of FRA's tasks: the Agency, which is located in Vienna, was established by [Council Regulation \(EC\) No 168/2007](#). Its main objective is to provide the relevant authorities of the Union and its Member States with assistance and expertise when implementing Union law relating to fundamental rights.
- FRA's budget for the 2010 financial year: the Agency's 2010 budget amounted to EUR 20.2 million, compared with EUR 17.2million the previous year. The number of staff employed by the Agency at the end of the year was 90, as compared to 77 in the previous year.

The complete version of FRA's final accounts may be found at the following address:

2010 discharge: European Union Agency for Fundamental Rights (FRA)

PURPOSE: presentation of the EU Court of Auditors report on the annual accounts of the European Fundamental Rights Agency, together with the Agency's reply.

CONTENT: in accordance with the tasks conferred on the Court of Auditors by the Treaty on the Functioning of the European Union, the Court presents to the European Parliament and to the Council, in the context of the discharge procedure, a Statement of Assurance as to the reliability of the annual accounts of each institution, body or agency of the EU, and the legality and regularity of the transactions underlying them, on the basis of an independent external audit.

This audit concerned, amongst others, the annual accounts of the European Fundamental Rights Agency (FRA).

In the Courts opinion, the Agencys Annual Accounts fairly present, in all material respects, its financial position as of 31 December 2010 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of its Financial Regulation.

The Court also considers that the transactions underlying the annual accounts of the Agency for the financial year ended 31 December 2010 are, in all material respects, legal and regular.

The report confirms that the Agencys 2010 budget amounted to EUR 20.2 million and that the number of staff employed by the Agency at the end of the year was 90.

The report also makes a series of observations on the budgetary and financial management of the Agency, accompanied by the latters response. The main observations may be summarised as follows:

The Courts observations:

- budgetary planning : in December 2010, the Agency committed 48 % (EUR 4.6 million) of its annual operational expenditure. Such a concentration of spending in the final weeks of the year indicates the need for an improvement in budgetary implementation planning, as it contributed significantly to a high level of carry-forwards EUR 6.9 million.

The Agencys response:

- the Agency has taken appropriate measures (e.g. planning two years in advance) in order to better spread budget implementation along the year, avoiding concentration during the last month.

Lastly, the Court of Auditors report contains a summary of the Agencys activities in 2010. This is focused on the following:

- various activities in the framework of the RAXEN network (European Information Network on Racism and Xenophobia and FRALEX (legal experts network);
- publication of reports and research;
- meetings with Member States and European and international institutions.

2010 discharge: European Union Agency for Fundamental Rights (FRA)

The Committee on Budgetary Control adopted the report by Monica Luisa MACOVEI (EPP, RO) on discharge to be granted to the Director of the European Union Agency for Fundamental Rights in respect of the implementation of the budget for the financial year 2010.

Noting that the Court of Auditors stated that it has obtained reasonable assurances that the annual accounts of the European Union Agency for Fundamental Rights for the financial year 2010 are reliable and that the underlying transactions are legal and regular, Members approve the closure of the Agencys accounts. However, they make a number of recommendations that need to be taken into account when the discharge is granted, in addition to the general recommendations that appear in the [draft resolution](#) on performance, financial management and control of EU agencies:

- Budgetary and financial management: Members note that the implementation rate of the Union contribution followed the previous year's trend and remained at 100 %, and that the budget execution rate in terms of payments reached 61.65 % in 2010 compared to 60.64 % in 2009. They, therefore call on the Agency to make further efforts and to take appropriate actions to ensure a greater level of budget execution in terms of payment;
- Carryover appropriations and transfers: Members urge
- the Agency to improve its budgetary implementation planning in order to reduce its high level of carryovers (EUR 6.9 million) with a concentration of spending in the final weeks of the year. They note with concern the Court of Auditors' comment on the commitment of 48 % of the operational expenditure in the last month of 2010 and on the high level of carryovers as a consequence. They call on the Agency to take measures to avoid this situation in the future;
- Human resources: Members note with concern the delay in completing recruitment procedures, meaning that only 59 out of 72 posts could be filled during 2010 and call on the Agency to take all necessary steps to prevent a recurrence of this situation. They are particularly concerned about the allegations of harassment of staff and call on the Agency to address those allegations adequately;
- Internal audit: lastly, Members note that, according to information provided by the Agency, the Internal Audit Service (IAS) performed an audit on planning and monitoring in March 2011 and formulated certain recommendations some of which were considered important. They call for these recommendations to be addressed.

2010 discharge: European Union Agency for Fundamental Rights (FRA)

PURPOSE: to grant discharge to the European Union Agency for Fundamental Rights (FRA) in respect of the implementation of the Agency's budget for the financial year 2010.

NON-LEGISLATIVE ACT: Decision 2012/598/EU of the European Parliament on discharge in respect of the implementation of the budget of the European Union Agency for Fundamental Rights for the financial year 2010.

CONTENT: with the present decision, and in accordance with Article 319 of the Treaty on the Functioning of the European Union, the European Parliament grants discharge to the Director of the European Union Agency for Fundamental Rights for the implementation of its budget for the financial year 2010.

This decision is in line with the European Parliament's resolution adopted on 10 May 2012 and comprises a series of observations that form an integral part of the discharge decision (please refer to the summary of the opinion of 10/05/2012).

A parallel decision, 2012/599/EU, adopted on the same day, approves the closure of this Agency's accounts for the 2010 financial year.

2010 discharge: European Union Agency for Fundamental Rights (FRA)

The European Parliament adopted a decision to grant discharge to the Director of the European Union Agency for Fundamental Rights in respect of the implementation of the budget for the financial year 2010. This decision also approves the closure of the Agency's accounts.

Noting that the Court of Auditors stated that it has obtained reasonable assurances that the annual accounts of the Agency for the financial year 2010 are reliable and that the underlying transactions are legal and regular, Parliament adopted a resolution containing a series of recommendations that need to be taken into account when the discharge is granted, in addition to the general recommendations that appear in the [draft resolution](#) on performance, financial management and control of EU agencies.

These recommendations may be summarised as follows:

- Budgetary and financial management: Parliament notes that the implementation rate of the Union contribution followed the previous year's trend and remained at 100 %, and that the budget execution rate in terms of payments reached 61.65 % in 2010 compared to 60.64 % in 2009. It therefore calls on the Agency to make further efforts and to take appropriate actions to ensure a greater level of budget execution in terms of payment. It notes with concern that under Title III (Operational expenditure) the budget execution rate in terms of payments reached only 28.08%;
- Carryover appropriations and transfers: Parliament urges the Agency to improve its budgetary implementation planning in order to reduce its high level of carryovers (EUR 6.9 million) with a concentration of spending in the final weeks of the year. It notes with concern the Court of Auditors' comment on the commitment of 48 % of the operational expenditure in the last month of 2010 and on the high level of carryovers as a consequence. It calls on the Agency to take measures to avoid this situation in the future. The agency is invited to take the necessary steps to determine and resolve the main obstacles related to budget expenditure, project funding, recruitment, and legal and administrative constraints, in order to ensure the efficient management of its budget;
- Human resources: Parliament notes with concern the delay in completing recruitment procedures, meaning that only 59 out of 72 posts could be filled during 2010 and calls on the Agency to take all necessary steps to prevent a recurrence of this situation. It is particularly concerned about the allegations of harassment of staff and calls on the Agency to address those allegations adequately;
- Internal audit: lastly, Parliament notes that, according to information provided by the Agency, the Internal Audit Service (IAS) performed an audit on planning and monitoring in March 2011 and formulated certain recommendations some of which were considered important. It calls for these recommendations to be addressed.
