## 2011 discharge: European Union's Judicial Cooperation Unit (Eurojust)

**PURPOSE:** presentation of the EU Court of Auditors report on the annual accounts of EUROJUST for the financial year 2011, together with the Centres reply.

**CONTENT:** in accordance with the tasks conferred on the Court of Auditors by the Treaty on the Functioning of the European Union, the Court

presents to the European Parliament and to the Council, in the context of the discharge procedure, a Statement of Assurance as to the reliability of the annual accounts of each institution, body or agency of the EU, and the legality and regularity of the transactions underlying them, on the basis of an independent external audit.

This audit concerned, amongst others, the annual accounts of EUROJUST.

In the Courts opinion, EUROJUSTs Annual Accounts fairly present, in all material respects, its financial position as of 31 December 2011 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of its Financial Regulation.

The Court also considers that the transactions underlying the annual accounts of EUROJUST for the financial year ended 31 December 2011 are, in all material respects, legal and regular.

The report confirms that EUROJUSTs 2011 budget amounted to EUR 31.4 million. The number of staff employed by EUROJUST at the end of the year was 186.

The report also makes a series of observations on the budgetary and financial management of EUROJUST, accompanied by the latters response. The main observations may be summarised as follows:

Courts comments:

- budgetary and financial management: the level of carry-over is again excessive and at odds with the principle of annuality;
- governance: in the report for the financial year 2010, the Court noted that there was scope to reconsider the definition of respective roles and responsibilities between the Director and the College of Eurojust in order to avoid the overlap of responsibilities, currently resulting from the Founding Regulation. No corrective measures were taken in 2011;
- recruitment: the Court again identified shortcomings in recruitment procedures.

Eurojusts replies:

- Eurojust acknowledges the Courts comments. A series of steps have been taken by Eurojust in order to improve the budget forecasting and implementation, such as new monthly forecasting reports and other monitoring tools, which will result in a reduced number of carry forwards and budget transfers;
- on governance, Eurojust again calls the attention of the Court to the fact that such definition of roles and responsibilities, other than the internal measures which have already been taken by Eurojust, corresponds to the EU legislator, within the framework of the preparation of the new Regulation on Eurojust. The College has no means to make any substantial modifications to the present situation;
- on the problem of recruitment, Eurojust states that it is a relatively small Agency with low gradings in comparison to other Agencies, which has occasionally in the past made it difficult to comply with the same or higher grading requirement for the members of a Selection Board. Eurojust has taken the necessary corrective actions on this regards, in particular the recruitment policy has been updated to comply fully with the requirements of the Staff Regulations.

Lastly, the Court of Auditors report contains a summary of the Agencys activities in 2011. This is focused on the following:

- organisation of coordination meetings;
- 1 441 cases dealt with in the areas of fraud, drug trafficking, terrorism, murder, trafficking in human beings.

## 2011 discharge: European Union's Judicial Cooperation Unit (Eurojust)

---

The Committee on Budgetary Control adopted the report by Gerben-Jan GERBRANDY (ADLE, NL) on discharge to be granted to the Director of Eurojust in respect of the implementation of the budget of Eurojust for the financial year 2011.

Noting that the Court of Auditors stated that it has obtained reasonable assurances that the annual accounts of Eurojust for the financial year 2011 are reliable and that the underlying transactions are legal and regular, Members approve the closure of Eurojusts accounts. However, they make a number of recommendations that need to be taken into account when the discharge is granted, in addition to the general recommendations that appear in the [draft resolution on performance, financial management and control of EU agencies](#):

- Financing, budget and financial management: the budget of Eurojust for the financial year 2011 was EUR 31.358 million, which represents a decrease of 2.91% compared to 2010. The balance for the outturn account for Eurojust in 2011 was positive, totalling EUR 2.5 million.
- Implementation rate of appropriations: Members acknowledge that the payments execution ratio was 58% in 2011 and call on Eurojust to inform the discharge authority of the actions taken to address that deficiency as the low execution ratio indicates difficulties in the planning or implementation of Eurojust activities. They deplore the high level of carry-overs to 2012 (16% of total payment appropriations). They call on Eurojust to inform the discharge authority of the actions taken to address that deficiency as its level is excessive and at odds with the principle of annuality.

Lastly, Members made a series of observations as regards the accounting system, premises, transfers as well as the recruitment procedures of this Agency.

## 2011 discharge: European Union's Judicial Cooperation Unit (Eurojust)

---

PURPOSE: to grant discharge to EUROJUST in respect of the implementation of the Agency's budget for the financial year 2011.

NON-LEGISLATIVE ACT: Decision 2013/604/EU of the European Parliament on discharge in respect of the implementation of the budget of EUROJUST for the financial year 2011.

CONTENT: with the present decision, and in accordance with Article 319 of the Treaty on the Functioning of the European Union (TFEU), the European Parliament grants discharge to EUROJUSTs Administrative Director for the implementation of its budget for the financial year 2011.

This decision is in line with the European Parliament's resolution adopted on 17 April 2013 and comprises a series of observations that form an integral part of the discharge decision (please refer to the summary of the opinion of 17 April 2013).

A parallel decision, 2012/605/EU, adopted on the same day, approves the closure of this Agency's accounts for the 2011 financial year.

## 2011 discharge: European Union's Judicial Cooperation Unit (Eurojust)

---

The European Parliament adopted a decision on discharge to be granted to the Director of Eurojust in respect of the implementation of the budget of Eurojust for the financial year 2011.

The vote on the decision to grant discharge covers the closure of the accounts (in accordance with Annex VI, Article 5(1) of the European Parliament's Rules of Procedure).

Noting that the Court of Auditors stated that it has obtained reasonable assurances that the annual accounts of Eurojust for the financial year 2011 are reliable and that the underlying transactions are legal and regular, Parliament adopted a resolution containing a number of recommendations that need to be taken into account when the discharge is granted, in addition to the general recommendations that appear in the [draft resolution on performance, financial management and control of EU agencies](#):

- Financing, budget and financial management: Parliament recalls that the budget of Eurojust for the financial year 2011 was EUR 31.358 million, which represents a decrease of 2.91% compared to 2010. The balance for the outturn account for Eurojust in 2011 was positive, totalling EUR 2.5 million.
- Implementation rate of appropriations: Parliament acknowledges that the payments execution ratio was 58% in 2011 and calls on Eurojust to inform the discharge authority of the actions taken to address that deficiency as the low execution ratio indicates difficulties in the planning or implementation of Eurojust activities. Members deplore the high level of carry-overs to 2012 (16% of total payment appropriations). They call on Eurojust to inform the discharge authority of the actions taken to address that deficiency as its level is excessive and at odds with the principle of annuality.
- Premises: Parliament takes note that from the 2011 Eurojust Annual Activity Report (AAR) that an agreement was reached with the Netherlands, as host Member State, for the new Eurojust premises in 2015.

Lastly, Parliament made a series of observations as regards the accounting system, transfers as well as the recruitment procedures of this Agency.
