Decision 2015/2025 OJ L 297 13.11.2015, p. 0001 Summary
--

EU/Tunisia Framework Agreement: participation of Tunisia in Union programmes. Protocol to the EC/Tunisia Euro-Mediterranean Association Agreement

PURPOSE: the conclusion of a Protocol to the Euro-Mediterranean Agreement establishing an Association between the European Community and its Member States, of the one part, and Tunisia, of the other part, on a Framework Agreement between the European Union and Tunisia on the general principles for the participation of that country in Union programmes.

PROPOSED ACT: Council Decision.

ROLE OF THE EUROPEAN PARLIAMENT: Council may adopt the act only if Parliament has given its consent to it.

BACKGROUND: as part of the European Neighbourhood Policy (ENP), the gradual opening up of certain European Union programmes and agencies to ENP partner countries is one of many measures to promote reform, modernisation and transition in the European Union's neighbourhood. The Commission has expanded on this in its [Communication](#) on the general approach to enable European Neighbourhood Policy partner countries to participate in Community agencies and Community programmes. The Council endorsed this approach in conclusions on 5 March 2007.

The Council, on 18 June 2007, issued directives to the Commission to negotiate Framework Agreements with Algeria, Armenia, Azerbaijan, Egypt, Georgia, Israel, Jordan, Lebanon, Moldova, Morocco, the Palestinian Authority, Tunisia and Ukraine, on the general principles for their participation in Community programmes. To date, Protocols have been signed with Armenia, Georgia, Israel, Jordan, Moldova, Morocco and Ukraine.

In December 2013, Tunisia expressed its interest in participating in the broad range of programmes open to partner countries of the European Neighbourhood Policy. The text of the Protocol negotiated with Tunisia is attached and the subject of this proposal. It is now appropriate for the European Union to conclude the protocol.

LEGAL BASIS: Article 212 of the Treaty on the Functioning of the European Union, in conjunction with Article 218(6)(a) and Article 218(7) thereof.

CONTENT: this is a proposal for a Council Decision on the conclusion of the Protocol. This Protocol contains a Framework Agreement on the general principles for the participation of Tunisia in Union programmes. It contains standard conditions that should be applied to all European Neighbourhood Policy partner countries with whom such protocols are to be concluded.

Objectives: the protocol seeks to define the financial and technical rules permitting Tunisia to participate in certain EU programmes.

The horizontal framework established by the Protocol sets out principles for economic, financial and technical cooperation measure and allows Tunisia to receive technical assistance, in particular financial assistance, from the European Union pursuant to the European Union programmes.

PROPOSED ACT: Council Decision.

ROLE OF THE EUROPEAN PARLIAMENT: Council may adopt the act only if Parliament has given its consent to it.

BACKGROUND: in accordance with a Council Decision, the Protocol to the Euro-Mediterranean Agreement establishing an association between the European Communities and their Member States, of the one part, and Tunisia, of the other part, on a Framework Agreement between the European Union and Tunisia on the general principles for the participation of Tunisia in Union programmes was signed on behalf of the Union.

The objective of the Protocol is to lay down the financial and technical rules enabling Tunisia to participate in certain Union programmes.

The horizontal framework established by the Protocol constitutes an economic, financial and technical cooperation measure which allows for access to assistance, in particular financial assistance, to be provided by the Union pursuant to those Union programmes. That framework applies only to those Union programmes for which the relevant constitutive legal acts provide for the possibility of the participation of Tunisia.

The Protocol should now be approved.

CONTENT: under this proposed Decision, the Council is called upon to approve, on behalf of the Union, the Protocol to the Euro-Mediterranean Agreement establishing an association between the European Communities and their Member States, of the one part, and Tunisia, of the other part, on a Framework Agreement between the European Union and Tunisia on the general principles for the participation of Tunisia in Union programmes.

For further details of the Protocol, please refer to the Commissions initial proposal dated 31/03/2014.

EU/Tunisia Framework Agreement: participation of Tunisia in Union programmes. Protocol to the EC/Tunisia Euro-Mediterranean Association Agreement

The Committee on Foreign Affairs adopted the report by Pier Antonio PANZERI (S&D, IT) on the draft Council decision on the conclusion of the Protocol to the Euro-Mediterranean Agreement establishing an association between the European Communities and their Member States, of the one part, and the Republic of Tunisia, of the other part, on a Framework Agreement between the European Union and the Republic of Tunisia on the general principles for the participation of the Republic of Tunisia in Union programmes.

The committee recommended that Parliament gave its consent to the conclusion of the Protocol.

It justified its recommendation by noting that Tunisia was the birthplace of the Arab Spring. Thus far, it was the only country in the Middle East North Africa (MENA) region to survive this social and political experiment.

Over recent years, the Tunisian economy had deteriorated markedly, both domestically and in the international arena, especially in terms of its trade with Europe, which remained its main partner. In light of this, it was vital for the Tunisian issue to become an EU priority, with the EU

making concrete economic and investment commitments aimed at supporting the country's fragile transition to democracy.

Bearing this in mind, the EU should also increase cooperation through programmes such as Erasmus+ other programmes aimed at developing people-to-people contacts. Tunisia should also be given the opportunity to join the missions and activities of the European Common Security and Defence Policy (CSDP).

EU/Tunisia Framework Agreement: participation of Tunisia in Union programmes. Protocol to the EC/Tunisia Euro-Mediterranean Association Agreement

Parliament gave its consent to the conclusion of the Protocol. This Protocol shall enable Tunisia to participate in programmes such as Erasmus+ other programmes aimed at developing people-to-people contacts.
