BACKGROUND: according to [Decision 2008/615/JHA](#) on the stepping up of cross-border cooperation, particularly in combating terrorism and cross-border crime, the supply of personal data provided for under that Decision may not take place until the general provisions on data protection have been implemented in the national law of the territories of the Member States involved in such supply.

Sweden has completed the questionnaire on data protection and the questionnaire on dactyloscopic data exchange. A successful pilot run has been carried out by Sweden with Austria.

An evaluation visit has taken place in Sweden.

On the basis of an overall evaluation report presented to it, the Council concluded, on 13 July 2015, that Sweden had fully implemented the general provisions on data protection set out in Chapter 6 of Decision 2008/615/JHA.
