PURPOSE: to launch the automated data exchange with regard to dactyloscopic data in Denmark.

PROPOSED ACT: Council Implementing Decision.

ROLE OF THE EUROPEAN PARLIAMENT: the Council adopts the act after consulting the European Parliament but without being obliged to follow its opinion.

BACKGROUND: according to [Decision 2008/615/JHA](#) on the stepping up of cross-border cooperation, particularly in combating terrorism and cross-border crime, the supply of personal data provided for under that Decision may not take place until the general provisions on data protection set out in that Decision.

[Council Decision 2008/616/JHA](#) on the implementation of Decision 2008/615/JHA provides that the verification that the above condition has been met with respect to automated data exchange is to be done on the basis of: (i) an evaluation report based on a questionnaire, (ii) an evaluation visit and (iii) a pilot run.

An overall evaluation report was presented in which the Council concluded, on 12 July 2016, that Denmark had fully implemented the general provisions on data protection set out in Chapter 6 of Decision 2008/615/JHA.

CONTENT: this draft Council implementing Decision aims, for the purposes of automated searching of dactyloscopic data, to authorise Denmark to receive and supply personal data pursuant to Decision 2008/615/JHA as from the date of the entry into force of this Decision.
