### Final act

[Decision 2019/77](#)  
[OJ L 018 21.01.2019, p. 0015](#) Summary

## EU/Bahamas Agreement: short-stay visa waiver

**PURPOSE:** to conclude an agreement amending the agreement between the European Community and the Commonwealth of the Bahamas on the short-stay visa waiver.

**PROPOSED ACT:** Council Decision.

**ROLE OF THE EUROPEAN PARLIAMENT:** Council may adopt the act only if Parliament has given its consent to the act.

**BACKGROUND:** by Decision of 30 November 2009, the Council concluded the agreement between the European Community and the

Bahamas on the short-stay visa waiver.

[Regulation \(EU\) No 610/2013](#) amended the Convention implementing the Schengen Agreement (CISA), [Regulation \(EC\) No 562/2006](#) (Schengen Borders Code) and [Regulation \(EC\) No 810/2009](#) (the Visa Code). In so doing, it has redefined the term of 'short-stay' for third-country nationals in the Schengen area.

As from 18 October 2013, for third-country nationals 'irrespective of being visa required or exempt' who intend to travel to the Schengen area for a short-stay, the maximum duration of authorised stay is defined as '90 days in any 180-day period'.

The agreement between the Union and the Bahamas on the short-stay visa waiver should incorporate this new definition.

With a view to implementing the new definition of short stay provided for in the amendment to the Schengen Borders Code, the Commission adopted on 16 July 2014 a recommendation for a Council Decision authorising negotiations to amend the Schengen the short-stay visa waiver between the European Union and seven countries: Antigua and Barbuda, the Bahamas, Barbados, Brazil, Mauritius, Saint Kitts and Nevis and the Seychelles.

The negotiations with the Bahamas were successfully finalised by the initialling of the amending agreement on 30 August 2016.

CONTENT: this proposal is presented to the Council to authorise the conclusion of the Agreement amending the Agreement between the European Community and the Bahamas on the short-stay visa waiver.

The amendments introduced by the final agreement cover the following points:

Duration of stay: the final agreement provides for visa-free travel for the citizens of the European Union and for the citizens of the Bahamas when travelling to the other Contracting Party for a maximum period of 90 days in any 180-day period (instead of a maximum period of three months during a six months period following the date of first entry).

A joint statement on the interpretation of the 90-day period over any 180-day period is attached to the amending agreement.

Suspension of the agreement: the agreement provides that suspension of the waiver shall be lifted if the suspension is no longer required.

All other provisions of the existing agreement between the European Community and the Bahamas on the short-stay visa waiver remain unaffected by the amending agreement, including the territorial scope.

The provisions of the agreement shall not apply to the United Kingdom or to Ireland.

## EU/Bahamas Agreement: short-stay visa waiver

---

PURPOSE: to conclude, on behalf of the Union, the Agreement between the European Union and the Bahamas amending the Agreement between the European Community and the Bahamas on the short-stay visa waiver.

PROPOSED ACT: Council Decision.

ROLE OF THE EUROPEAN PARLIAMENT: Council may adopt the act only if Parliament has given its consent to the act.

BACKGROUND: by its Decision 2009/897/EC, the Council concluded the Agreement between the European Community and the Commonwealth of the Bahamas on the short-stay visa waiver.

The Agreement provides for visa-free travel for the citizens of the Union and for the citizens of the Bahamas when travelling to the territory of the other Contracting Party for a maximum period of three months during a six months period.

[Regulation \(EU\) No 610/2013](#) of the European Parliament and of the Council introduced horizontal changes in the Unions visa and border acquis and defined a short stay as a maximum of 90 days in any 180-day period.

It is necessary to incorporate this new definition into the Agreement in order to fully harmonise the Unions short-stay regime.

The Commission negotiated, on behalf of the Union, an agreement with the Bahamas which amends the Agreement between the European Community and the Commonwealth of the Bahamas on the short-stay visa waiver (the amending Agreement).

CONTENT: the draft Council Decision now seeks the approval, on behalf of the Union, of the Agreement between the European Union and the Bahamas amending the Agreement between the European community and Bahamas on the short-stay visa waiver.

The provisions of the Agreement do not apply to the United Kingdom or to Ireland.

## EU/Bahamas Agreement: short-stay visa waiver

---

The Committee on Civil Liberties, Justice and Home Affairs adopted the report by Emilian PAVEL (S&D, RO) on the draft Council decision on the conclusion, on behalf of the Union, of the Agreement between the European Union and the Commonwealth of the Bahamas amending the Agreement between the European Community and the Commonwealth of the Bahamas on the short-stay visa waiver.

The committee recommended that the European Parliament give its consent to the conclusion of the agreement.

The Agreement amending the Agreement between the European Community and the Commonwealth of the Bahamas ensures legal coherence and harmonisation between Member States, in accordance with the new definition of short-term stay provided by the Schengen Borders Code amendment, which clarifies the meaning of this term (a stay of up to 90 days in any 180-day period).

The Bahamas is a member of the African, Caribbean and Pacific Group of States, Association of Caribbean States, Caribbean Community (though not the CARICOM Single Market and Economy), Non-Aligned Movement, Organization of American States and United Nations.

The explanatory statement accompanying the recommendation notes the following points:

- economically, the Bahamas is among the wealthiest countries in the Caribbean region; it is now a significant financial centre and ship registry, among the largest in the world in terms of gross tonnage registered;
- politically speaking, the Bahamas is a constitutional monarchy. The country is a parliamentary democracy with a bicameral legislature;
- the EU's political dialogue with the various ACP countries and the Commonwealth of the Bahamas in particular is gradually increasing.

The new visa waiver agreement will enable citizens not only to derive full benefit from the ACP-EU partnership but continuing to participate in it by travelling at a reduced, economical and practical cost under a clearer and more coherent legal framework. It significantly deepens relations between the European Union and the Bahamas, which is of great political importance in the context of the Cotonou Agreement.

Parliament gave its consent to the conclusion of the agreement.

The new visa waiver agreement will enable citizens not only to derive full benefit from the ACP-EU partnership but continuing to participate in it by travelling at a reduced, economical and practical cost under a clearer and more coherent legal framework. It significantly deepens relations between the European Union and the Bahamas, which is of great political importance in the context of the Cotonou Agreement.

**PURPOSE:** to approve the conclusion of the amending agreement between the European Union and the Commonwealth of the Bahamas on the short-stay visa waiver.

**NON-LEGISLATIVE ACT:** Council Decision (EU) 2019/77 on the conclusion, on behalf of the Union, of the Agreement between the European Union and the Commonwealth of the Bahamas amending the Agreement between the European Community and the Commonwealth of the Bahamas on the short-stay visa waiver.

**CONTENT:** the Council approved, on behalf of the European Union, the Agreement between the EU and the Bahamas amending the Agreement on the short-stay visa waiver.

As a reminder, the Commission negotiated, on behalf of the Union an agreement with the Bahamas which amends the Agreement between the European Community and the Bahamas on the short-stay visa waiver. The amending agreement has been signed.

The amending agreement ensures legal coherence and harmonisation between Member States, in accordance with the new definition of short-term stay provided for by the amendment of the Schengen Borders Code. It therefore provides for a visa-free travel regime for EU citizens and citizens of the Bahamas travelling to the territory of the other Contracting Party for a stay of up to 90 days in any 180-day period.

This Decision constitutes a development of the provisions of the Schengen acquis in which the United Kingdom and Ireland do not participate. Consequently, these two countries are not bound by this decision or subject to its application.

**ENTRY INTO FORCE:** 20.12.2018.
