Final act

[Directive 2019/475](#)
[OJ L 083 25.03.2019, p. 0042](#)

VAT and excise duty Directives: inclusion of the Italian municipality of Campione d'Italia and the Italian waters of Lake Lugano in the customs territory of the Union and in the territorial application

PURPOSE: to include the Italian municipality of Campione d'Italia and the Italian waters of Lake Lugano into the customs territory of the EU and in the territorial application of Directive 2008/118/EC concerning the general arrangements for excise duty.

PROPOSED ACT: Council Directive.

ROLE OF THE EUROPEAN PARLIAMENT: the Council adopts the act after consulting the European Parliament but without being obliged to follow its opinion.

BACKGROUND: in July 2017, Italy requested that the Italian municipality of Campione d'Italia and the Italian waters of Lake Lugano be included in the customs territory of the Union as defined in Regulation (EU) No 952/2013 of the European Parliament and of the Council as well as in the territorial scope of [Council Directive 2008/118/EC](#) for the purposes of excise duty, whilst leaving these territories outside the territorial scope of [Council Directive 2006/112/EC](#) for the purposes of value added tax (the VAT Directive).

CONTENT: the proposal aims to include the Italian municipality of Campione d'Italia and the Italian waters of Lake Lugano into the customs

territory of the EU and the territory of the Union to which Directive 2008/118/EC concerning the general arrangements for excise duty (the Excise Directive) applies.

The proposal to amend the excise Directive and the VAT Directive is strictly linked to the [amendment of the Union Customs Code](#). These amendments should apply from 1 January 2019.

VAT and excise duty Directives: inclusion of the Italian municipality of Campione d'Italia and the Italian waters of Lake Lugano in the customs territory of the Union and in the territorial application

The Committee on Economic and Monetary Affairs adopted, under the consultation procedure, the report by Roberto GUALTIERI (S&D, IT) on the proposal for a Council directive amending Directives 2006/112/EC and 2008/118/EC as regards the inclusion of the Italian municipality of Campione d'Italia and the Italian waters of Lake Lugano in the customs territory of the Union and in the territorial application of Directive 2008/118/EC.

The committee recommended that the European Parliament approve the Commission proposal without amendments.

As a reminder, the Italian government requested that the Italian municipality of Campione d'Italia and the Italian waters of Lake Lugano should be included in the EU customs territory and in the territory of the Union to which Directive 2008/118/EC concerning the general arrangements for excise duty (the excise Directive) applies.

However, Italy wishes to continue the exclusion of the two territories from the territorial application of Directive 2006/112/EC (VAT Directive) on the common system of value added tax, as Italy considers it to be essential to maintain an even playing field between economic actors in Campione d'Italia and Switzerland.

This proposal only requires a formal amendment of the VAT Directive, moving the two territories from Article 6(2) (territories not forming part of the EU customs territory excluded from the territorial application of the VAT Directive) to Article 6(1) (territories forming part of the EU customs territory excluded from the territorial application of the VAT Directive).

VAT and excise duty Directives: inclusion of the Italian municipality of Campione d'Italia and the Italian waters of Lake Lugano in the customs territory of the Union and in the territorial application

The European Parliament adopted by 583 votes to 42, with 23 abstentions, in accordance with the consultation procedure, a legislative resolution on the proposal for a Council directive amending Directives 2006/112/EC and 2008/118/EC as regards the inclusion of the Italian municipality of Campione d'Italia and the Italian waters of Lake Lugano in the customs territory of the Union and in the territorial application of Directive 2008/118/EC.

Parliament approved the Commission's proposal without amendments.
