2019/0901(NLE) - 01/03/2019 Committee report tabled for plenary, 1st reading/single reading

The Committee on Economic and Monetary Affairs adopted the report by Roberto GUALTIERI (S&D, IT) on the proposal of the Commission for the appointment of a member of the Single Resolution Board.

On 30 January 2019, the Commission adopted a proposal to appoint Sebastiano Laviola as Member of the Board and Director of Resolution Policy Development and Coordination in the Single Resolution Board and transmitted that proposal to Parliament.

The committee responsible then proceeded to evaluate the credentials of the proposed candidate for the functions of member of the Single Resolution Board. On 26 February 2019, the committee held a hearing with Sebastiano Laviola, at which he made an opening statement and then responded to questions from the members of the committee.

On this basis, the committee recommended that the European Parliament approve the Commissions proposal for the appointment of Sebastiano LAVIOLA (IT) as member of the Single Resolution Board for a period of five years.

It is important to note that despite the numerous calls made by Parliament to respect gender balance when presenting a list of candidates, all candidates were men. The committee stressed that all EU and national institutions and bodies should implement concrete measures to ensure gender balance.

2019/0901(NLE) - 14/03/2019 Text adopted by Parliament, 1st reading/single reading

The European Parliament decided to approve, by 312 votes to 156, with 90 abstentions, the Commission's proposal to appoint Sebastiano Laviola as a member of the Single Resolution Board for a period of five years.

As a reminder, Regulation (EU) No 806/2014 establishing uniform rules and a uniform procedure for the resolution of credit institutions and certain investment firms in the framework of a Single Resolution Mechanism and a Single Resolution Fund provides that the members of the Single Resolution Board are to be appointed on the basis of merit, skills, knowledge of banking and financial matters, and of experience relevant to financial supervision, regulation and bank resolution.

Parliament regretted that women continue to be underrepresented in executive positions in the field of banking and financial services. It called for gender balance be respected on the next appointment. It also called on all bodies and institutions of the Union and the Member States to implement concrete measures to ensure gender balance.
