Rules on paying agencies and other bodies, financial management, clearance of accounts, securities and use of euro

The European Parliament decided not to raise objections to the Commission delegated regulation of 7 December 2021 supplementing Regulation (EU) 2021/2116 of the European Parliament and of the Council with rules on paying agencies and other bodies, financial management, clearance of accounts, securities and use of euro.

As a reminder, [Regulation \(EU\) 2021/2116](#) As a reminder, Regulation (EU) 2021/2116 on the financing, management and monitoring of the common agricultural policy (CAP) lays down rules concerning paying agencies and other bodies, financial management, clearance of accounts, securities and use of the euro.

The purpose of the draft delegated regulation is to lay down detailed rules, derogations and transitional measures concerning paying agencies and other bodies, financial management of agricultural funds, clearance of accounts, guarantees and the use of the euro for the day-to-day management of the new CAP.

As Member States have to integrate these rules into their CAP strategy plans, Members consider that these rules should be considered as urgent.
