EP Rules of procedure, rule 33: vote of approval of the Commission

The present report adopted in committee should allow Article 33(4) of the Rules of Procedure to be amended in order to give members the opportunity to question candidate Commissioners in greater depth and investigate the Commission's programme of work and topical, urgent and important problems more thoroughly.?

EP Rules of procedure, rule 33: vote of approval of the Commission

Adopting the report by Mr EVANS (PSE, UK), the European Parliament decided to amend Article 33(4) of its Rules of Procedure in order to allow any political group to submit a proposal for a resolution containing a decision whereby: - Parliament approves the committee appointed, - Parliament rejects the committee, - Parliament postpones the vote to the following sitting in order to deal with reservations expressed during the course of the debate.?
