

Road transport: framework for the deployment of intelligent transport systems and for interfaces with other transport modes

2008/0263(COD) - 22/06/2010 - `summary.subTitle`

The Committee on Transport and Tourism adopted a report drawn up by drawn up by Anne E. JENSEN (ALDE, DK) on the Council position at first reading with a view to the adoption of a directive of the European Parliament and of the Council on the framework for the deployment of Intelligent Transport Systems in the field of road transport and for interfaces with other modes of transport.

It recommended that the European Parliament's position at second reading under the ordinary legislative procedure (formerly known as the codecision procedure) should be to approve the Council position.
