

Road transport: framework for the deployment of intelligent transport systems and for interfaces with other transport modes

2008/0263(COD) - 06/07/2010 - Text adopted by Parliament, 2nd reading

The European Parliament adopted a legislative resolution approving, unamended, the Council position at first reading with a view to the adoption of a directive of the European Parliament and of the Council on the framework for the deployment of Intelligent Transport Systems in the field of road transport and for interfaces with other modes of transport.

It also adopted a joint statement by the European Parliament, the Council and the Commission on Article 290 TFEU (delegated acts).

Lastly, Parliament takes note of three Commission statements annexed to the resolution which concern the following: (i) the deployment of ITS priority actions; (ii) liability; (iii) the notification of delegated acts.
