

Animal health requirements: intra-Union trade in and imports into the Union of dogs, cats and ferrets

2012/0040(COD) - 12/11/2012 - Committee report tabled for plenary, 1st reading/single reading

The Committee on the Environment, Public Health and Food Safety adopted the report drafted by Horst SCHNELLHARDT (EPP, DE) on the proposal for a directive of the European Parliament and of the Council amending Council Directive 92/65/EEC as regards the animal health requirements governing intra-Union trade in and imports into the Union of dogs, cats and ferrets.

It recommends the European Parliament to adopt its position at first reading, taking over the Commission proposal.
