

2012 discharge: European Joint Undertaking for ITER and the Development of Fusion Energy (Fusion for Energy)

2013/2247(DEC) - 03/04/2014 - Final act

PURPOSE: to grant discharge to the European Joint Undertaking for ITER in respect of the implementation of its budget for the financial year 2012.

NON-LEGISLATIVE ACT: Decision 2042/631/EU of the European Parliament on discharge in respect of the implementation of the budget of the European Joint Undertaking for ITER and the Development of Fusion Energy for the financial year 2012.

CONTENT: with the present decision, the European Parliament grants discharge to the Director of the Joint Undertaking for ITER and the Development of Fusion Energy in respect of the implementation of its budget for the financial year 2012.

This decision is in line with the European Parliament's resolution adopted on 3 April 2014 and comprises a series of observations that form an integral part of the discharge decision (please refer to the summary of the opinion of 3 April 2014).

Amongst the main observations made, Parliament made a number of cross-cutting comments as regards all the Joint Undertakings (JUs) and invited the Court of Auditors to conduct a detailed analysis of the JUs in a separate report in light of the substantial amounts involved and the risks - notably reputational - presented.
