

Certain aspects of company law. Codification

2015/0283(COD) - 28/03/2017 - Committee report tabled for plenary, 1st reading/single reading

The Committee on Legal Affairs adopted the report by Tadeusz ZWIEFKA (EPP, PL) on the proposal for a directive of the European Parliament and of the Council relating to certain aspects of company law (codified text).

The committee recommended that the European Parliament adopt its position at first reading, taking over the Commission proposal as adapted to the recommendations of the Consultative Working Party of the legal services of the European Parliament, the Council and the Commission.

The examination of this proposal enabled the Consultative Working Party to conclude that the proposal in question contains a straightforward codification of the existing texts without any change in their substance.
