

2016 discharge: European Securities and Markets Authority (ESMA)

2017/2173(DEC) - 12/09/2017 - Court of Auditors: opinion, report

PURPOSE: presentation of the EU Court of Auditors report on the annual accounts of the European Securities and Markets Authority for the financial year 2016 together with the Authority's reply.

CONTENT: in accordance with the tasks conferred on the Court of Auditors by the Treaty on the Functioning of the European Union, the Court presents to the European Parliament and to the Council, in the context of the discharge procedure, a Statement of Assurance as to the reliability of the annual accounts of each institution, body or agency of the EU, and the legality and regularity of the transactions underlying them, on the basis of an independent external audit.

This audit focused on the annual accounts of the European Securities and Markets Authority (ESMA). To recall, the Authority's task is to improve the functioning of the EU internal financial market by ensuring a high, effective and consistent level of regulation and supervision, promoting the integrity and stability of the financial systems and strengthening international supervisory coordination in order to ensure the stability and effectiveness of the financial system.

Statement of assurance: pursuant to the provisions of Article 287 of the Treaty on the Functioning of the European Union (TFEU), the Court has audited:

- the annual accounts of the Authority, which comprise the financial statements and the reports on the implementation of the budget for the financial year ended 31 December 2016 and
- the legality and regularity of the transactions underlying those accounts.

Opinion on the reliability of the accounts: in the Court's opinion, the Authority's annual accounts present fairly, in all material respects, its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of its Financial Regulation and the accounting rules adopted by the Commission's accounting officer.

Opinion on the legality and regularity of the transactions underlying the accounts: in the Court's opinion, the transactions underlying the annual accounts for the year ended 31 December 2016 are legal and regular in all material respects.

The report made a series of observations on the budgetary and financial management of the Authority, accompanied by the latter's response. The main observations may be summarised as follows:

The Court's comments: without calling into question its opinion, the Court draws attention to the fact that the United Kingdom (UK) notified the European Council on 29 March 2017 of its decision to withdraw from the European Union. An agreement setting out the arrangements for its withdrawal will be negotiated. The Authority's budget is financed by 26 % from European Union funds, by 47 % through direct contributions from EU Member States and by 27 % from and fees received from supervised entities (credit-rating agencies and trade repositories). The departure of the UK might affect the Authority's activities since the most significant supervised entities are currently located there. A future decrease of the Authority's revenue resulting from the UK's decision to leave the EU is possible.

The Court did not make any other particular comment on the Authority's budgetary management.

Lastly, the Court of Auditors report also contained a summary of the Authority's key figures in 2016:

- Budget: EUR 39.4 million.
- Staff: 204 including officials, temporary and contract staff and seconded national experts.
