

Energy: use of biofuels for road transport

2001/0265(COD) - 12/03/2003 - Text adopted by Parliament, 2nd reading

The European Parliament adopted a resolution drafted by Maria del Pilar AYUSO GONZALEZ (EPP-ED, Spain) and made some amendments to the common position: 1) Pure vegetable oil is included as a biofuel and a definition is inserted; 2) Member states must report to the Commission on: - the measures taken to promote the use of biofuels or other renewable fuels to replace diesel or petrol for transport purposes; - the national resources allocated to the production of biomass for energy uses other than transport.?
